Mr. P. Suryanarayanasetti, Assistant Commissioner, Saklespur Sub-Division, was present on invitation.

The Board record with deep regret the demise of the mother and daughter of their President, Gurubhakta Tilaka Rao Bahadur N. S. Nanjundiah, and desire to convey their condolences to him.

Read letter from Gurubhaktatilaka Rao Bahadur N. S. Nanjundiah, President of the District Board, addressed to the Vice-President, District Board, explaining inability to attend the meeting.

Mahadevappa, the Vice-President of the District Board their unanimous appreciation of their efficient earnest and disinterested services in the administration of the Board.

Letters from Messrs. Halkur Rudrappa, G. K. D. Vajranabhiah, District Educational Officer and Mr. G. W. Easton, for Capt. E. H. Young and Telegram from Mr. D. Basavegowda, pleading inability to attend the meeting.

1. Proceedings of the last meeting.

Resolution.—Recorded.

2. (a) General Secretary's letter No. L 7264 L. B. 68-29-2, dated 9th April 1930, forwarding a petition dated 26th March 1930, from Mr. M. Nanjappa of Kantarajpur stating that about 8 miles of road between Sravanabelgola and Naganangala remains to be completed and that he is prepared to make a contribution of Rs. 2,000 for the purpose, and enquiring whether the District Board are prepared to open the road with the assistance of the generous offer made by Mr Nanjappa.

(*b*) Provision of Rs. 1,000 made for the purpose in the District Board budget estimates for 1930-31, the amount being payable out of District Funds.

Resolution.—The Board convey their thanks to Mr. M. Nanjappa of Kantarajapura. Rs. 2,000 may be given as contribution to supplement the contribution of Rs. 2,000 promised by Mr. Nanjappa towards the formation of the road from Sravanabelagola to Nagamangala and the Government may be requested to contribute the remaining cost.

3. General Secretary's letter No. L. 7260—L. B. 169-29-1, dated 9th April 1930, forwarding an extract from the progress report of the Inspector of Office Systems, *re* inspection of Hassan District Board Office and requesting to take action to remedy the shortcomings in the matter of sorting of the old records of the defunct Taluk Boards, etc.

Resolution.—The new Board may entertain the required staff for sorting the old records in the Office. There being heavy work to the District Board staff, the Government may be requested to issue orders directing the sorting of the old records of the defunct Taluk Boards in the concerned Taluk Offices themselves, since the officials of the defunct Taluk Boards are now working as Village Panchayet and other departmental clerks in the Revenue Department itself and as most of the records and registers are also still in the Taluk Offices.

4. (a) General Secretary's letter No. D. 11726—G. 62-29-2, dated 12th April 1930, calling for the views of the Board as to whether the Board will bear half the pay and allowances of the Horticultural Inspector.

(*b*) Letter No. 249, dated 15th May 1930, from the Superintendent, Government Gardens, Bangalore *re* entertainment of C. L. Gundappa, a passed candidate for this District.

Resolution.—The services of the Harticultural Inspector, who has been transferred from Chikmagalur to Hassan as per Horticultural Director's letter to the Deputy Commissioner may be utilised.

5. Development Secretary's letter No. D. 11536-51—C. V. 97-29-2, dated 21st April 1930, calling for the opinion of the Board *re* (1) arrangements for the speedy disposal of questions connected with the repairs of Veterinary Hospitals and Dispensary buildings. (2) The proportion of initial and maintainance charges of Veterinary Dispensaries to be borne

by local bodies. (3) The agency to collect Municipal quota. (4) The cost of construction of new Dispensaries.

709

Resolution of the Standing Committee.

(1) The Committee recommend that the proposal about repairs may be accepted. But the proposals should reach the District Boards on or before the 15th February of each year as in the case of other departmental information that is required to be furnished to them for incorporation in their budget estimates (*vide* Government Order No. L. 7503—L. B. 92-23-18, dated 15th March 1924) and the execution of the repairs may be entrusted to the District Board as heretofore or the Departmental P. W. establishment and tools and plant charges at 18 per cent may be waived by Government.

Further, it seems necessary that simultaneously Municipal Councils concerned, should also be informed of the requirements of the department for such repairs After some experience it may be possible to strike an average for each building for annual maintenance, so that a lumpsum provision may be made for each District for repairs as in the case of Medical Institutions.

(2) *Re*: proportion of initial and maintenance charges of Veterinary Dispensaries to be borne by Local Bodies.

The Committee recommend that the proposals to increase the quota of local bodies cannot be approved, as in particular the finances of District Boards have been depleted by the transfer of rural mohatarfa and cattle pounds. Further, it may be noted that while the Committee propose the enhancement of contributions of local bodies, they ignore a like equitable adjustment of initial charges which are now being entirely borne by local bodies as per said Government Order of March 1925. Attention may be invited to the fact that it is understood that in Madras the entire Veterinary charges are borne by Government and it is but right that it should be, as it is part of "Agriculture" which provides the bulk of the States' Revenue.

(3) The proposal to collect the quota of contributions from Municipalities direct by Government may be accepted.

(4) The proposal to reduce the cost of the building may also be accepted, as recommended by the Department itself.

Resolution.—The resolution of the Standing Committee is approved.

6. Deputy Commissioner's letter No. R. O. C. 1030-27, dated 16th April 1930, calling for a clear and complete resolution of the Board in *re* proportion of cost to be borne by the local bodies and Government in respect of maternities.

Resolution of the Standing Committee.

1. As regards Saklespur, the matter has already been disposed of by Government Order accepting the proposal of half, one-third and one-sixth.
2. As regards Hole-Narsipur, the donor himself having provided quarters for the Medical Officer the question does not arise.
3. As regards the general principles governing future policies, the Board are of opinion that as these institutions are of a specialised nature and will unhappily be slow in their growth in view of social conditions, and the benefit of such institutions will generally be confined to special areas, and not be of general benefit throughout the District, it is suggested that the proportions may be one half by Government quarter by the District Board and quarter by the Municipality. It would only be fair that the liability of the Municipality which reaps most of the benefit should if necessary be further increased."

Resolution. The resolution of Standing Committee is approved.

7. (a) Deputy Commissioner's letter No. R. O. C. 657-29, dated 2nd April 1930, forwarding an estimate for Rs. 2,000 for extending the road from Ujigere in the Kadur Taluk to Devarahalli in the Arsikere Taluk to join the Kamakatte road and calling for the resolution of the Board in *re* constructing the road from District Funds supplemented by the contribution offered by Dharmaprakasha Chandregowda.

(b) Resolution dated 8th February 1930 of the District Board in the matter.

Resolution. The previous resolution of the Board will hold good.

8. Deputy Commissionsr's letter No. 7078, dated 14th February 1930, *re* payment of Rs. 1,000 from the District Board Funds towards the State Scout Rally to be arranged during the calendar year.

Resolution.—Referred to Standing Committee.

9. Notification No. L. 4669—L. B. 129-29-11, dated 20th December 1929, prescribing the rate of fees for the grant of licenses by the District Boards.

Resolution.—Referred to the Standing Committee,

10. Government Order No. L 2626-43—L. B. 111 28 40, dated 14th September 1929, passing orders *re* exempting country carts from payment of tolls at District Fund Toll Gates.

Resolution of the Standing Committee.—

"The right of collection of fees at the various tolls has already been sold by auction till the period ending 30th June 1931. It is therefore impossible to introduce

710

any modifications till then, as enormous compensation will have to be paid and no adequate data for compensation are available. However, after the period of the present contract express similar concessions as are granted in the Government order may be granted in respect of certain of the District Fund Toll Gates only, though the matter is one that may be left to the consideration of the reconstituted Board before fresh patta ns. We may indicate certain special circumstances which seem to deserve weight. The tolls on the Hassan Arsikere road and Arsikere-Hubyar road are not really the traffic of farmers but that of very well-to-do people making high profits and in one case competing with the railway. The Hole-Narsipur bridge toll similarly does not interfere with farmers and an expenditure of Rs. 57,000 has been incurred on the Channarayapatna-Narsipur new road. Perhaps any possible inconvenience would be minimised by shifting the toll bar from the bridge head to the junction of the new road with Hassan-Hole-Narsipur road. The Kerlapur bridge toll was imposed as Rs. 80,000 was spent upon a bridge primarily of use to the local people. Perhaps it may be removed after a definite period of ten years. Karehalli gate is much used by mining traffic, which does not contribute much to Dists of Funds while damaging the road surface in largest measure.

Resolution.—The re-duction of the Standing Committee is approved.

11. Tumkur District Board President's letter No. G. C. 200—27-28, dated 18th October 1927, in the matter of having a common toll gate on the Channarayapatna-Tiptur road and sharing the income between the Tumkur and Hassan District Boards

(*b*) Letter No. 670, dated 29th April 1930, of the Chairman, Hassan Agricultural School Managing Committee in the matter of giving a house rent of Rs. 12 to the Head Master.

Resolution.—(*a*) Recorded.

(*b*) The majority of the members are not in favour of giving a house rent of Rs. 12 per mensem to the Head-Master.

Of this, materials to the extent of Rs. 32/4 were sold and the amount is due to the Municipality and the rest of the materials seem to have been taken by the Municipal authorities themselves for erecting pendals in front of Mr. Kappannagowda's house and the Municipal Office, at the time, as is evident from the records and other circumstances.

20. Letter No. D. 5-756--29-30, dated 1st February 1930, from the Director of Industries and Commerce, recommending the grant of a loan of Rs. 200 to Mr. Somayya for purchasing a warping machine.

23. Letter dated 20th January 1930, of Mr. E. W. Rutherford, Ubbani Estate, *re* enhancing the amount of lumpsum contract for Chinnahalli-Magge road.

Resolution of the Standing Committee.

"The lumpsum grants hitherto made were with a view to open out the road practically new and bring it into condition. The annual maintenance must be met by the Village Panchayets and neighbours interested and the Board can as in similar cases invariably only give a lumpsum grant-in-aid for annual maintenance if undertaken either by the Panchayets or approved parties interested. On this principle as a special case, a lumpsum grant of Rs. 100 for 1930-31 is provided in the District Fund budget; but it may be pointed out that the maximum funds that are likely to be available for such purposes will be Rs. 10 per mile. For special improvements, the matter may be considered by the Malnad Improvement Committee from time to time.

Resolution.—The resolution of the Standing Committee is approved.

24. Letter No. Gl. 770-29, dated 5th April 1930, of the District Economic Superintendent, recommending that Rs. 10 may be paid to Mr. G. Selvapillai, Advocate, Gorur, towards contingencies *i.e.*, for carbide, etc., required for lantern lectures, organised in some villages in the Hassan Taluk.

4. Letter No. B. 1. 4399-416--29-30, dated the 16th May 1930, from the Director of Public Instruction in Mysore, forwarding for the approval of the Board a detailed statement of school building works proposed to be taken up out of cess funds, as included in the Budget Estimates for 1930-31.

It is observed thereupon that the estimate for constructing a Primary Boys' school at Namagoudla has been prepared by Public Works Department for Rs. 3,420 while only a sum of Rs. 1,500 has been provided in the cess Budget for 1930-31. This may be pointed out to the Director of Public Instruction.

Out of the balance of Rs. 11,580 the Board proposed to construct buildings at the following places :—

(*Note*).—The District Educational Officer has in his letter No. N. Dis. 2177 of 29-30, dated 27th June 1930, recommended that a School Building at Gadare in the Goribidnur Taluk is necessary as the Village Panchayat has promised a contribution of Rs. 500.

7. *Re*: Jangan-kote Toll-Gate.

Disposal during 1930-31.

The sale was conducted on 28th May 1930, and was knocked down to Mr. Sattar Sab for Rs. 2,930. But as the printed notification included country carts also and Government had recently exempted the levy of tolls on the country carts, the sale was set aside and a resale was fixed for the 21st June 1930. In the resale held, the original bidder Mr. Sattar Sab purchased the right for Rs. 1,055. Subsequently objection petitions were received

offering Rs. 1,600 and Rs. 1,800 for the Toll. The propriety of confirming or setting aside the sale owing to this higher offer is placed before the Board for their decision. Since there was some irregularity in the publication of the sale notification the President expressed a doubt *re* : the validity of the sale in question. 938

The matter was explained sufficiently and the records were shown to the Members. The question was put to vote 10 voted for confirmation of the present sale and 14 for the concellation of the sale and 7 were neutral.

Mr. G. Girimaji Rao demanded a poll, the poll was also taken and recorded.

Resolution.—It was therefore resolved to re-sell the Toll.

BANGALORE CITY MUNICIPALITY.

No. 43.

PROCEEDINGS OF AN ORDINARY GENERAL MEETING OF THE CITY MUNICIPAL COUNCIL, BANGALORE, HELD ON SATURDAY THE 5TH JULY 1930 AT 12 NOON IN THE CHAMBER OF THE CITY MUNICIPAL OFFICE.

Members.

Present ... 23	Absent ... 7

2. To consider letter No. L. 8764—M. L. 287-29-2, dated 2nd June 1930, from the General Secretary to Government stating that the proposal of the Municipal Council to remove every alternate light in Sri Narasimharaja Road cannot be accepted.

Mr. C. N. Narasigna Rao proposed that subject No. 27(*a*) and (*b*) be taken up for consideration along with this subject. Mr. S. K. Venkatarangiengar seconded it. Sense of the house was taken and they accepted it.

The following propositions were moved by Mr. C. N. Narasinga Rao and seconded by Mr. S. K. Venkatarangiengar.

27. (*a*) Mr. C. N. Narasinga Rao to move :—

"That the Council strongly deprecates the Commissioner's habit of writing covering letters to Government with respect to the resolutions of the Council and in derogation thereof and behind the back of the Council soliciting orders of Government with respect to matters fully in the competence of the Municipal Council.

(*b*) The Council further strongly disapproves of the apathy of the Commissioner in giving effect to the resolution with regard to the removal of ornamental lights in Sri Narasimharaja Road and writing to Government in the meantime.

Mr. C. N. Narasinga Rao observed that the Commissioner's writing covering letters to Government have caused them sorrow and indignation. The Commissioner has independent powers in regard to certain matters under the Regulation but in regard to other matters he is a subordinate to the Council. It is his duty to carry out its resolutions faithfully and loyally but not sit in judgment over them. Regarding removal of lights in Sri Narasimharaja Road when the B. P. L. Superintendent did not carry out the resolutions, the Commissioner should have placed the matter before the Council instead of writing to Government with his own opinion. Again in the matter of suspension of Flat Rate, the Commissioner acting under the color of watching over the Finances cannot ask the Government to interfere in the matter when he had ample opportunities of expressing his views before the Council. In his covering letters regarding Budget he has used very insulting language and should be resented by the Council. All this must be protested if they want to vindicate the honor of the Council.

Mr. S. K. Venkatarangiengar seconded the proposition and observed that the creation of Commissioner's appointment was an encroachment on the rights of Local Self Government. But there are some safeguards against undue advantage being taken by the Commissioner. He has his duties defined in the Regulation, and in all other matter he is subordinate to the Council and he has therefore to faithfully and loyally carry out the resolutions of the Council and not to act derogatory to it. He has no powers to write covering letters contrary to the wishes of the Council as passed by their resolutions and sit in judgment over them. He is constitutionally irregular and it is high time that he should be acquainted with these facts. The wordings of the resolutions are quite appropriate and I second the above resolutions.

Mr. B. L. Byanna proposed an amendment to the above proposition that the words "disapproves" be substituted for "strongly deprecates" and the words "Habit" and "behind the back of the Council" be deleted. In doing so, he said he first thought that the Council members could not question the propriety of the Commissioner's action of writing covering letters to Government so long as he was within his bounds and limits. After having heard the mover and seconder of the proposition that the Commissioner has not only sat in judgment over the Council's decision but to certain extent misrepresented the facts. he thinks when the Commissioner has exceeded his rights and powers the Council has a right to condemn his action. He moved the amendment as he considered the wording of the proposition was rather vehement and of a personal character. The Commissioner's action may be taken as placing an axe to the root of Local-Self Government and was in defiance of good intentions of Government who granted the privileges to the non-official body, that such an action could not be tolerated if they had any self-respect in them. Then the amendment was proposed and lost for want of a seconder.

Then Mr. S. N. M. Razvi wanted to know what the Commissioner had to say in the matter.

At the request of the House the Commissioner made the following statement. With regard to financial matters he is expected to watch over them under section 24 (b). He

knows no doubt what powers he has. They should not think that he wrote the covering letters to insult them. If the Council should decide that he should not express his views in covering letters it will be a matter for consideration. Resolution 2 is not correct and there was no apathy on his part. He wrote to the Superintendent, Bangalore Power and Lighting first and addressed the Government when he did not comply with his request. He thought he has powers to represent his views (1) when the Council resolutions are not consistent, (2) when the Municipality loses financially, (3) when the resolution is not legal, or is irregular. Regarding first resolution word "habit" used therein is a strong word and reflects on the Council. "Behind the back" is incorrect as the correspondence passes through the President and the statement "fully within the competence" is not applicable as the Government has to give is assent before the resolutions are given effect to. He has been here for two years and has served loyally and faithfully and would leave the matter to the Council and the public to decide. The previous Commissioners have done the same things and no decision to serve as a guide. He referred to certain instances where the Advocate Councillors have interfered in matters connected with Land Acquisition cases and how resolutions have been brought to suspend the acquisition proceedings.

Mr. S. Narayana Rao proposed that the whole matter be referred to a small Committee consisting of the mover, the President and three others.

Mr. G. Siddaveerappa seconded it.

Put to vote and lost as 8 voted for and 10 against. Council adjourned for lunch.

When the Council re-assembled after lunch Mr. S. N. M. Razvi proposed "that this Council resolves that Mr. Rama Rao, Council Clerk, who hesitated and disobeyed the orders of the Council through the President be suspended for a period of 6 months" Mr. B. L. Byanna seconded the same.

This resolution was then withdrawn as the clerk tendered his apology to the effect that he was wrong and that he must be excused.

The discussion was then resumed.

Mr. W. H. Hanumantappa next speaking said that the Commissioner has no powers to include in the Budget the amount of Flat Rate when the Council has resolved to remove it in the Budget. This is a thing which the Government should have done when they are passing the Budget. Flat Rate was levied under the promise that greater water fecilities would be created. Under section 47, the Council has full powers to suspend any tax. When there is great difficulty for water the Council rightly resolved to suspend it. Any person who differs from the resolution has no place as ours is the Local Self Government. The Municipal Council is supreme in certain matters and gives unlimited powers to it. The Commissioner is expected to faithfully carry out the Council resolution and fight with Government to get them sanctioned instead of representing a different view and get them vetoed by Government. The Council resolution was intended to effect some savings by reducing a large number of lights which were unnecessary and were set up by the former President on his own accord without taking previous sanction of the Council.

Mr. Belur Srinivasiengar next speaking stated that it is conceded on both sides that the matter under discussion is a very important one affecting the prestige of the Council on one side and the duties and responsibilities of the Commissioner on the other side. Before going to the merits of the resolution I should like to give a personal explanation regarding subject No. 13 on the agenda referred to by the Commissioner as an interference on the part of the Councillors in carrying out his legitimate duties. It is my old proposition and Mr. Narasinga Rao has only lent his name. I did it with the best intentions for the Municipality which would result in a lot of savings besides carrying out fully the objects for which the said property concerned was acquired. There is no personal interest in bringing this resolution. I assure the Commissioner and I am sorry that he should have suspected me for this resolution.

He defined and explained to the Commissioner his powers as contained in section (A) 42, 186 (a) and 184 (a to p). He took strong objections to the expressions used in Government letters regarding Budget matters "intrinsically inconsistent," "noval" and he pointed out that the President has put in his dissenting notes in these cases. The Commissioner's intentions are no doubt good but unless he fully co-operates and carries out the Council resolutions even through they may be against his views he will not be meriting their confidence. He is expected to leave the policy to be decided by the Council and carry out the resolutions *in toto*. There must be complete harmony between the Commissioner and the President. The three letters are wrongly written. He finally requested the Commissioner to discontinue such prateice and preserve the harmony and work together wholeheartedly as long as they continue together.

Mr. D. Venkataramanappa spoke that the letter addressed by the Commissioner is not a mistake as the Commissioner might have received representations from the public that the lights in the Sri Narasimharaja Road should not be removed on account of the importance of that road. He never meant to insult the Council but wanted to help the ratepayers. He has been very helpful to them and they are thankful for it. It is hoped that there will be harmony between him and the Council.

Mr. Ramlal Tiwari observed that the Flat Rate should be abolished as it greatly affects the rat payers. He has received several complaints regarding the hardships due to his levy. The Commissioner should respect the Council resolutions. 950

Mr. S. N. M. Razvi stated that Government should be attacked as they have made the greater mistake to have upset our resolutions. The Government have offered the greatest insult to us. The Commissioner has done a lesser mistake because the Government are insulting us and so the Commissioner had the boldness to write such letters. As a Nationalist, he wanted to see that there should be harmony between the Commissioner and the Council. It is to bring to the notice of the Commissioner and to prevent him from writing covering letters with his opinion differing from the views of the Council, these resolutions were brought up. It is not to insult him. If he assures that these will not be repeated, he would request the mover to withdraw his propositions.

Mr. Saligram Narayana Rao spoke as follows:—

I support Mr. Razvi entirely. The Commissioner I am sure has not done anything with purpose. He has done it with honourable intentions. I hope that with an assurance from him that such things will not recur these resolutions may be dropped.

Mr. S. K. Venkatarangiengar observed that the Commissioner should not have any suspicion against the Advocate Councillors. He assured that they are better National Leaders and what they do, they do for the good of the City. Their responsibility as Councillors is greater than the Commissioner's as they could be used personally for their sins which the Commissioner is exempted from.

The Commissioner rose up and said "I am really sorry that I should have caused you uneasiness of the mind. It is really mean, of me to try such experiments with you and should have created an impression that I should lower you in the estimation of Government. I shall not do it again."

After this assurance, Mr. C. N. Narasinga Rao desired to withdraw his propositions.

At the suggestion of the House the President requested that every speaker may send in a summary of his speech for being incorporated in the minutes.

The President brought to the notice of the Council that even letter sent to his address by registered post was not sent to him and that he was not getting sufficient co-operation from the Chief Executive head. Hereafter he expected that there would be better co-operation between him and the Commissioner in the discharge of their duties. The Council fully supported the views expressed by the President.

The meeting was adjourned to Wednesday the 9th of July 1930 at 4 P.M. for want of time.

No. 44.

Mr. C. N. Narasinga Rao proposed that the lowest tender for material and work be accepted, Mr. S. N. M. Razvi seconded it.

Put to vote and carried ten voting for and none against.

19. To consider Municipal Commissioner's memo in regard to the purchase of Khadar to the recipients of doles at the Langarkhana.

Subject No. 19 on the agenda was advanced.

Mr. B. K. Garudachar proposed and Mr. C. N. Narasinga Rao seconded that the Commissioner be authorised to purchase Hand-spun and Hand-woven khadar as far as available and the Indian Mill made cloth for those that are not available. The extra cost required may be incurred out of the reserves. Carried unanimously.

15. To consider letter No. L. 9171—M. 289-29-7, dated 23rd June 1930, from the General Secretary to Government, suggesting the names of 4 Assistant Engineers and that anyone of them will be placed at the disposal of the Municipality for the place of the Municipal Engineer.

(This subject was advanced).

Mr. C. N. Narasinga Rao proposed that Mr. P. Subba Rao be selected as Municipa Engineer. Dr. Gopalakrisha Rao seconded it. Mr. B. K. Garudachar amended the above that this appointment will be subject to the appointment of the Senior Executive Engineer to take up the place of the present Commissioner. This was accepted by the mover. The resolution in the amended form was put to vote and passed unanimously.

27. Mr. C. N. Narasinga Rao to move :

(*a*) That the Council strongly deprecates the Commissioner's habit of writing covering letters to Government with respect to the resolutions of the Council and in derogation thereof and behind the back of the Council soliciting orders of Government with respect to matters fully in the competence of the Municipal Council.

(*b*) The Council further strongly disapproves of the apathy of the Commissioner in giving effect to the resolution with regard to the removal of ornamental lights in Sri Narasimharajendra Road and writing to Government in the meantime.

According to the understanding arrived at. at the previous meeting the speakers were requested to hand over the purport of their speeches to Chair. Among those delivered, the second statement made by the Commissioner was requested to be read out for the information of the Council.

After the statement of the Municipal Commissioner was read out and as there appeared some material difference between this and the one made on 5th July 1930 Mr. S. K. Venkatarangiengar moved the following resolution in regard to the above proposition.

"The Council resolves that since differences of opinion have arisen as to the real import of the statement made by the Commissioner on 5th July 1930 and the Commissioner states now that he did not mean to say that he was not going to write covering letters with his own opinions, the resolutions be taken up for consideration, the house not having given leave to withdraw."

Mr. B. L. Byanna seconded the above. Put to vote and carried ten voting for and two against.

As the resolutions have been fully discussed, the President requested Mr. Narasinga Rao to say what he has to say by way of reply to the several points brought forth in the discussion.

Mr. C. N. Narasinga Rao dwelt at length and with sufficient force of argument the necessity that arose for bringing forward these resolutions, how the prestige of the Council has suffered on account of these covering letters referred to in course of discussions, how the Commissioner had gone out of his powers and abrogated the authority of sitting in Judgment over the well considered resolutions of the Council. His action is irregular and the dignity of the Council is wounded by being overridden by the individual opinion of one man, who, after all is a subordinate of the Council and who is appointed to carry their wishes. He dwelt that the Government have encroached upon the powers vested in them in upsetting these resolutions. The powers of removing the lights and suspending flat rate under Section 47 of the Regulation are vested entirely in the Council under the Regulation and the interference of Government is uncalled for. Financially the removal of lights is decided by a gain even if the Council should bear the cost thereof as in the long run there will be an annual savings of nearly Rs. 1,200. He was very sorry to see that the Commissioner struck to his guns and did not see that the Council's resolutions had to be sent to Government without being interfered with." I would appeal to the Councillors to pass these resolutions unanimously and save the honor and prestige of the body to which they have the honor to belong. With these words he commended the resolutions for the acceptance of the house.

Resolutions were put to vote and carried twelve voting for and three against.

The District Educational Officer, Kadur District, and the District Forest Officer, Kadur District, Chikmagalur were also present by invitation, on the 1st day.

1. District Board Budget Estimates for 1930-31 as recommended by the Standing Committee in its Resolution No. 1, dated 12th August 1930 with the following modifications :—

B. (*a*) *Public Works.*—Rs. 1,000 to be increased to Rs. 2,000 (Provision for Antharagatte Rest House).

(10). Rs. 200 to be increased to Rs. 700 (For the purchase of buffalo also.)

Drinking water wells :—Rs. 1,000 to be provided for this year.

In presenting the Budget, the President made the following statement.—

"The Boards expenditure has to be broadly classified under two heads *viz.*, obligatory and optional. The expenditure in neither of these stands stationary for any two successive years. Under obligatory comes, as usual, the largest demand from the Public Works Department and the next in order from the Medical Department in its application for varied items. Under optional applications for grants and scholarships are growing in number in recent years with the growth in the numbers of public organisations. While the demands for expenditure are showing a tendency towards considerable increase nothing was done to augment the Board's income. On the other hand as a result of the introduction of the Village Panchayet Regulation the Board has been subjected to the performance of an orduous task of continuing to meet all their recurring charges, framed on the basis of their previous income from items some of which yielding decent sums, now stand beyond its purview. This fact has disastrously told upon the already limited and inelastic resources of the Board and contributes largely towards the helplessness of the Board to meet the growing demands for popular grants, however much they might serve the interests or the advancement of the public. The only inevitable course open to the Board under the present state of its finances is to cautiously limit its expenditure so as not to allow it go beyond its resources, discouraging as far as possible the idea of operating any more upon the slender reserves built up for years by strenuous efforts and economy.

The Budget to be framed under such circumstances must be deemed disappointing to the people and it could not be otherwise for reasons beyond its control. Effort has however been made in the Budget, though framed under such trying circumstances, to make adequate provision for such optional items as are absolutely necessary to the exclusion only of such items which could wait without either much inconvenience to the people or to the several Departments.

The finances of the District Board can by no means be taken to be satisfactory and for this the Board is not entirely to blame. The responsibility for this rests elsewhere. As has been stated above the present state has been the result of Government's action depriving the Board of their large annual income from Mohatarfa and Cattle Pounds.

To relieve them to the extent of their loss either by way of transferring certain items of recurring expenditure to State funds or by granting statutory annuities to the Board to the extent of their loss under these items is an imperative duty casting on the Government, if ever it is the intention of Government to see that the Board will not reach a stage at which it will be impossible for it even to run its ordinary administration. Besides there is much for the Government to increase the resources of the Local Board and extend its activities in other direction in order to enable them to carry out very necessary, urgent and

useful reforms in the local administration and the delay in recognising its just and legitimate claims will cause deep dissatisfaction among all lovers of real Local Self-Government in Mysore. It is earnestly hoped however that the Government would soon come to the rescue of the Board by rendering it large financial help to enable it to continue to discharge its normal functions at least."

In supporting the suggestions made by the President Messrs. C. Vasudeva Rao, T. Syed Khaja Peeran, B. Deva Gowda and S. Honnappayya observed that the Government should relieve the Board of maintaining certain important District Fund roads by transferring them to the State funds. Messrs. Abdul Azz and K. Mallu Gowda of Mudgere suggested the formation of a Committee to consider the question of transferring such important roads to the State funds. Messrs. K. T. Sathyanarayana Setty and T. Syed Khaja Peeran proposed that a separate Drinking water well fund be constituted and well works taken up on a systematic and defined programme. Mr. Honnappayya also proposed that the charge allowance of Sub-Assistant Surgeons now being debited to the District Boards hereafter be borne by the Government to enable the Board to establish additional dispensaries in important places with the savings effected.

1049

Resolution.

It was resolved that the Budget Estimate for 1930-31 as amended by the Standing Committee be passed and submitted to Government for approval with a request that the suggestions contained in the President's statement for improving the finances of the Board may be consideaed favourably.

In the Budget as passed the Opening and Closing Balance for 1930-31 will be as detailed below.—

Estimated Receipts.	...	2,45,717

It was urged by the members that the execution of works provided in the Budget, including the well works must be completed before the end of the year by adopting such changes in the methods of their execution as may be found necessary for the efficient execution thereof.

1. Conveyance allowance to the President and Vice-President of the District Board.

Resolution.—The conveyance allowance of Rs. 100 and Rs. 50 per mensem may be paid respectively to the President and Vice-President with effect from the respective dates of their taking charges of their new offices.

PROCEEDINGS OF A SPECIAL MEETING OF THE CITY MUNICIPAL COUNCIL, BANGALORE, HELD ON FRIDAY THE 22ND AUGUST 1930, AT 5 P.M., IN THE COUNCIL CHAMBER OF THE CITY MUNICIPAL OFFICE, TO CONSIDER THE COVERING LETTERS, DATED 13TH AND 14TH AUGUST 1930, ADDRESSED BY THE COMMISSIONER TO GOVERNMENT IN RESPECT OF A GRANT OF RS. 50 TO THE DISTRICT CONFERENCE AND THE RESOLUTIONS OF MR. C. N. NARASINGA RAO ON THE CONDUCT OF POLICE ON 2ND AUGUST 1930.

Present	... 14	Absent	16

Before the meeting commenced the President was requested to explain the circumstances which led him to call for the special meeting.

The President explained that he received two covering letters which were sentround for circulation among the members, addressed by the Commissioner to Government to be forwarded by him. He stated that the two covering letters contained remarks and criticisms

questioning the ruling of the President and that he had therefore asked the Commissioner to kindly modify the same. He then read out the corresspondence that took place between him and the Commissioner and the commissioner having refused to modify the covering letters in spite of a resolution deprecating the habit of his writing covering letters with his opinion contrary to the spirit of the resolution, he thought it his duty to place the same before the Council. He therefore requested the members of the Council to give their opinion in the matter. He also pointed out that several subjects were taken up at adjourned meetings and disposed of by the previous Presidents. He stated he would not go against the terms of the Regulation and keep back references made to Government. As he thought there would be delay by placing the letters at the next ordinary general meeting he called for a special meeting to expedite matters.

106

Khan Bahadur Mohamed Abbas Khan proposed the following resolution which was seconded by Capt. Y. V. Ayya:—

"That communications addressed by the Commissioner through the President be transmitted to Government forthwith as required by section 24(A) of the Municipal Regulation and that in view of the fact that detention of such communications during the transmission and their discussion at the meeting of the Council are *ultra vires* being opposed to the spirit of the Regulation, this meeting be dissolved."

Mr. W. H. Hanumantappa raised a point of order and said that the proposition of Khan Bahadur was not in order as the President had not stated or refused to send lettlers to Government and that this was a special meeting called under section 26(2) and (3) and nothing else should be considered except the subject specified in the notice. Messrs. C. N. Narasinga Rao, Belur Srinivasiengar and S. K. Venkatarangiengar all supported this view and urged that the proposition should be ruled out of order.

The President then held that the proposition moved by Khan Bhahadur Mohamed Abbas Khan was not in order, the proposition not being connected with the subject on the agenda and in view of the fact that he had already stated that he would not keep back the communications without forwarding them to Government.

At this stage as it was past 7 P.M., Mr. S. K. Venkatarangiengar moved for an adjournment of the House and Mr. Belur Srinivasiengar seconded it and passed.

The meeting was then adjourned to 23rd August 1930, at 5-30 P.M. for want of time.

BANGALORE DISTRICT BOARD. 1071

PROCEEDINGS OF THE SECOND ORDINARY MEETING OF THE DISTRICT BOARD, BANGALORE, HELD ON 20TH SEPTEMBER 1930.

Present.

V. Venkatappa, Esq., President.

H. R. Guruva Reddy, Esq, B.A., LL.B., Vice-President.

Members ... ... 41 | Absent 2

Mr. C. Ellappa Chetty, the Assistant Director of Agriculture, Mysore Circle, was also present on invitation.

Read the proceedings of the three previous meetings of the Board held on 4th June, 31st July and 1st September 1930 and confirmed the same with the addition of the words "Irregularities in" after the words "responsible for the" in line three of Resolution No. 4 of the Special Meeting of the District Board held on 31st July 1930.

Mr. M. Pillappa asked why his resolutions were not included in the Agenda. The president replied that it was not possible to include them in the Agenda as they were not received in time, as per rule No. 8 of Notification No. L. 5470—L. B. 25-26-55, dated 5th February 1927.

Mr. M. Ramiah suggested that copies of the District Board Regulation and Rules thereunder should be either typed or cyclostyled and distributed to all the Members for their information in the event that the printed copies are not available for sale. Some members expressed the opinion that it would be very costly to get it typed or cyclostyled and it was suggested that the copy that is available in the Office may be made accessible to all Members.

Mr. B. Nagappa, Bar-at-Law, as a Member of the Standing Committee, introduced the Budget to the House on behalf of the Standing Committee.

Then Mr. N. Surappa explained the Budget in great detail. Mr. B. Srinivasa Iyengar and B. Abdul Rahmon, B.A., wanted to know the present financial position of the Board before entering into the discussion of the Budget. Then Mr. B. Nagappa, explained to the House that all the facts and figures required were available in the Budget Estimates, copies of which had been supplied to the members.

Then Mr. B. Abdur Rahmon, B.A., moved the following resolution :—

"The Estimates of the Budget for the year 1930-31, prepared and placed in the hands of the Members do not reveal the actual financial position of the District Board under the following three heads :—

1. Normal income and expenditure.
2. Debt Head do
3. Abnormal do

and it was not possible for the office to furnish the information readily when it was asked for: Therefore, this District Board resolves that the consideration of the Budget be taken up immediately after the above information is furnished."

Mr. M. Pillappa seconded the resolution. —

The President replied that the preparation of the statement would take a little time and that he would have it made ready in the course of the day.

After some discussion, the resolution was put to vote and was carried.

The Audit Report of the accounts of the Park Fair was taken up next and its consideration was deferred according to the suggestion recorded by the Standing Committee which was read out by the President.

Then the House rose for lunch and met again for business at 4 P.M. A statement giving the information referred to in Mr. B. Abdur Rahmon's resolution was now ready and the President said that it was available to the members for reference, and it was also explained in great detail to the House.

Mr. B. Abdur Rahmon, B.A., at this stage, pointed out that the Budget could not be considered then on account of his resolution previously passed and he quoted section 29 K in support of that view.

The President ruled out the objection as that section could not apply to the facts of the case and pointed out that the discussion of the Budget may proceed as the information asked for in the resolution moved by Mr. B. Abdur Rahmon, B.A., was ready.

Then followed the discussion of the Budget :—

Additional allotments was proposed and passed under the following heads :—

				Rs.
D. Public Health Safety and convenience	...		...	4,982
A. Public Works Special Repairs	..		...	10,000
Repairs to Veterinary Dispensaries' staff quarters	...		...	1,500
Vydyasalas ...	...		...	2,000
Equipment to Travellers' Bungalows ...	...		...	2,000
Contribution to Veterinary Dispensaries	...		...	2,000

Mr. B. Abdur Rahmon, B.A., observed that the amount of Rs. 25,000 allotted for Special Repairs under abnormal expenditure should be brought under normal expenditure and secondly the provision of Rs. 1,000 for enhanced grants for Vydyasalas, which was also classed under abnormal expenditure, should go under normal expenditure.

It was brought to the notice of the Board by Mr. C. Yellappa Chetty, the Assistant Director of Agriculture, that no amount had been provided in the Budget towards the development of Agriculture. The President replied that grants for Agricultural implements may be made out of the Economic Development Funds.

The discussion having come to a close, Mr. V. M. Rudrappa moved the following resolution :—

"Resolved that the Budget Estimate of the Bangalore District Board for 1930-31, as prepared by the Standing Committee with all its resolutions excepting the resolution regarding the contribution to Vydyasalas in the Municipal limits, be adopted."

Mr. N. Surappa seconded it and Mr. B. M. Munisamappa supported the same, and it was passed unanimously, Mr. B. Abdur Rahmon, B.A., dissenting.

The Meeting was adjourned to 18th October 1930, for consideration of the remaining subjects on the Agenda.

PROCEEDINGS OF SPECIAL MEETING OF THE TUMKUR DISTRIT BOARD HELD AT 12 NOON ON WEDNESDAY THE 6TH AUGUST 1930.

1077

Members.

Present ...	... 28	Absent ..	.. 6

The Assistant Director of Agriculture and the Assistant Veterinary Superintendent were also present on invitation.

1. Election of a Vice-President to the District Board :—

The rules were read and explained.

Mr. H. S. Gundappa proposed and Mr. T. Subrahmanya seconded that Mr. D. S. Mallappa, President, may preside and conduct the elections.

(i) Mr. T. Subrahmanya proposed and Mr. Bajeerappa seconded the proposition, that Mr. K. Narayana Setty be the Vice-President of the Board.

(ii) Mr. B. Mallappa proposed and Mr. S. Nanjegowda seconded the proposition, that Mr. T. Guruchannabasaviah be the Vice-President of the Board.

Voters were recorded with the following results :—

Mr. Narayana Setty	...	..	... 13
Mr. Guruchannabasviah	...	...	.. 13
		Total	... 26

As there was a tie, a selection of one of them was made by lot immediately in the following manner :—

Six envelopes were taken. The name of each of the candidate was written on two separate slips of paper and put into two envelopes. Blank slips were put into the remaining envelopes and all of them were sealed. The envelopes were well mixed up and put into a tray. A boy from outside was called in and was asked to pick out any one of the envelopes. But before he did so, it was declared by the President at the suggestion of Mr. H. Gundappa that the name of the candidate which picked out first would be considered as successful. The first envelope picked out by the boy contained the name of Mr. K. Narayana Setty. Hence he was declared as duly elected as Vice-President.

The following is recorded on the motion of Mr. Guruchannabasaviah (defeated candidate) :—

The voting papers (envelopes) were taken out from the voting box and were sorted Mr. Guruchannabasaviah had obtained 13 votes and Mr. Narayanasetty, 12, and in the remaining one envelope, the names appeared to be untouched. The President thereupon was about to declare that Mr. T. Guruchannabasaviah, had been elected. In fact that word had just then been uttered : when Mr. Doddegowda, one the members brought to the notice of the President that the one envelope which was considered invalid was not really so as it contained the mark of Mr. Guruchannabasaviah's name being scored out. Then the envelope in question was inspected closely by the President and other members and it was found that Mr. Guruchannabasaviah's name had been scored out. But the impressions were not of a pencil. They appeared to have been made by pencil, the lead of which had been broken. It was also ascertained later on that the lead of the pencil had been broken and the pencil was subsequently mended. This pencil and the wooded pieces pealed out at the time of mending it or at the instance of Mr. Guruchannabasaviah and Mr. Nanjiah Setty respectively put into the sealed cover which contains the voting papers. Since the marks on the envelope in question were clear indication of the name of Mr. T. Guruchannabasaviah having been scored out by the voter, it was taken as a vote in favour of Mr. Narayanasetty. It was then declared that both the candidates had obtained an equal number of votes and the selection was thereupon made by lot accordingly to rules.

At the close of this special meeting another special meeting was held.

2. Interpellation by Mr. Puttaveerabhadrappa, District Board Member :—

(i) Will the President be pleased to State what the opinion of the Executive Engineer, Tumkur Division, Superintending Engineer, Sanitary Engineer and the consulting architect is regarding the Munia Maistry Chattram Site elected for the Distaict Board Office ?

MYSORE GOVERNMENT LOAN 1930.

No. 477, *Loans, dated* 13*th November* 1930.

To

All drawers of Salary and Establishment Bills and Treasury Officers of all District and Taluks.

Has the honor to invite reference to Circular No. 310—Sl., dated 11th August 1930, prescribing the procedure to be followed in the case of recoveries on account of State Loan Advances and to state that deduction statements have in many cases not been received with the Establishment Bills cashed in September 1930.

Deduction Statements have also not been attached to Salary Bills of Officers according to instructions issued to all District Treasury Officers in this office letter No. 316-17—Loans dated 10th September 1930. Owing to this omission the recoveries cannot be posted in the respective loan ledgers without much correspondence. It is therefore requested that in future deduction statements may invariably be attached to salary and establishment bills in which deductions are made so as to avoid unnecessary correspondence and delay in the compilation of the advance accounts in this office.

Bills which do not accompany such statements should not be cashed at the treasuries.

S. SHAMANNA,
Comptroller.

MYSORE GOVERNMENT LOAN 1930

N. 477, *Loans, dated* 13*th November* 1930.

To

All drawers of Salary and Establishment Bills and Treasury Officers of all Districts and Taluks

Has the honor to invite reference to Circular No. 310—Sl., dated 11th August 1930, prescribing the procedure to be followed in the case of recoveries on account of State Loan Advances and to state that deduction statements have in many cases not been received with the Establishment Bills cashed in September 1930.

Deduction Statements have also not been attached to Salary Bills of Officers according to instructions issued to all District Treasury Officers in this office letter No. 316-17—Loans dated 10th September 1930. Owing to this omission the recoveries cannot be posted in the respective loan ledgers without much correspondence. It is therefore requested that in future deduction statements may invariably be attached to salary and establishment bills in which deductions are made so as to avoid unnecessary correspondence and delay in the compilation of the advance accounts in this office.

Bills which do not accompany such statements should not be cashed at the treasuries.

H. L. A. R. WADIA,

COMPTROLLER'S OFFICE, BANGALORE.

MYSORE GOVERNMENT LOAN 1930.

No. 477, *Loans, dated* 13*th November* 1930.

To

All drawers of Salary and Establishment Bills and Treasury Officers of all Districts and Taluks.

Has the honor to invite reference to Circular No. 310—Sl., dated 11th August 1930, prescribing the procedure to be followed in the case of recoveries on account of State Loan, Advances and to state that deduction statements have in many cases not been received with the Establishment Bills cashed in September 1930.

Deduction Statements have also not been attached to Salary Bills of Officers according to instructions issued to all District Treasury Officers in this office letter No. 316-17—Loans dated 10th September 1930. Owing to this omission the recoveries cannot be posted in the respective loan ledgers without much correspondence. It is therefore requested that in future deduction statements may invariably be attached to salary and establishment bills in which deductions are made so as to avoid unnecessary correspondence and delay in the compilation of the advance accounts in this office.

Bills which do not accompany such statements should not be cashed at the treasuries.

S. SHAMANNA,
Comptroller.
